

The world's largest international underwriting agency

DUAL

Helping you do more

Local experts, global network

With market-leading market presence in 16 countries, we're a truly global organisation. But our real strength lies in our local teams, whose knowledge of their market helps them better understand and meet our clients' needs. We believe that our success is built on creating and delivering the right products to the right people.

In fact, ever since DUAL was founded in 1998, we have focused on one thing. Being the best underwriting business we can be. Specialist underwriting is at the core of our business and it's this which has built our reputation as a strong and expert strategic partner for our intermediaries and capacity providers.
