DUAL

**DUAL Global Healthcare operate as a Managing General Agency (MGA) with risk capacity from various markets including Lloyd's of London. Our experienced underwriters work closely with medical and health institutions to provide tailored solutions to meet the complex and ever-changing needs of the healthcare industry, on an insurance or reinsurance basis.**

## **Our Healthcare Providers Professional Liability cover includes**

- ✓ Hospital Professional Liability
- ✓ Medical Professional Liability
- ✓ Allied Healthcare Professional Liability
- ✓ Products Liability (Medical Devices / Life Sciences / Nutraceuticals)
- ✓ General/Public Liability
- ✓ Employers Liability Insurance and Reinsurance.

We provide cover that protects entities and healthcare professionals from claims for negligence that result in third party injury. This includes damages and defence costs incurred by the legal proceedings involved with settling a claim, as well as costs incurred through related disciplinary action.

Our general liability offering ensures that third parties are covered against bodily injuries and property damage which occurs on their premises or as a result of business operations.

We also underwrite comprehensive general liability cover, offering protection to the insured, while maintaining fair compensation for the injured party.

## **Our risk appetite**

Our global network of local experts helps ensure that we can provide extensive coverage to individuals and healthcare facilities internationally. Our appetite includes, but is not limited to:

- ✓ Medical generalists and specialists
- ✓ Dentists
- ✓ Allied health professionals
- ✓ Private clinics and hospitals
- ✓ Specialised medical institutions
- ✓ Outpatient clinics
- ✓ Residential care and hospices
